Chair, Department of Neurology
Nassau University Medical Center

East Meadow, Long Island, NY. With a strong commitment to raising the bar for healthcare in our community, **Nassau University Medical Center** is a Level I Trauma Center and a 530-bed teaching hospital affiliated with Northwell Health and Stony Brook University. NUMC is a Department of Health certified primary stroke certified center and has consistently achieved Gold Plus award from Get with Guidelines.

We are currently seeking a well-qualified full time leader to serve as Chair for the Department of Neurology. The Chair will provide leadership and direction of the Department consistent with the strategic planning of the NUMC for expert, insightful thinking and planning to steer department with dynamics of current health care challenges. Chair will also provide leadership in evaluation and management of variety of adult and pediatric neurological conditions.

Minimum qualifications include an MD/DO degree with Board Certification in neurology, a distinguished record of research accomplishment, a strong commitment to clinical excellence, education and diversity, and clear demonstration of the qualities needed to lead and manage a multifaceted academic department in the 21st century.

Our neurologist provides inpatient consultation and outpatient care to all neurological condition like Stroke, epilepsy, TBI, Movement disorders and comprehensive pediatric neurology management to children with neurodevelopmental disabilities, epilepsy, neuromuscular disease. Department also has Neurodiagnostic laboratory with full time technician. Our operating room is a state-of-the-art facility that's fully equipped to support intricate surgery on both the brain and the spine with full time neurosurgical support team.

NUMC has training program in various fields to include Medicine, Pediatrics and Psychiatry. Residents and fellows from various discipline rotate and interact with our neurologist. Students from SUNY Stony Brook, NYCOM and AUC school rotate through our neurology department. Our faculty has teaching appointment with above school.

We offer a competitive salary. Please forward CV, salary requirements, and letter of interest to careers@numc.edu. An EOE m/f/d/v
