

# DEPARTMENT OF OBSTETRICS & GYNECOLOGY

## **GYNECOLOGY SUB-INTERNSHIP**

**Course Director: Maggie Tetrolashvili, MD**

**Duration: 4 weeks**

### **COURSE DESCRIPTION**

The sub-internship is offered to students who have completed their OB/GYN rotation. The purpose of this rotation is to broaden the student's clinical exposure to the field of gynecology. In addition, the student should appreciate women's healthcare as a distinct entity.

The sub-intern will be an integral part of the gynecology team. They will be expected to participate in the evaluation and management of patients. They will be expected to take pertinent history, perform physical exams, and contribute to management plans. During this time, the sub-intern will be closely supervised by the resident and attending staff.

### **METHODS OF EVALUATION**

Feedback will be provided on a daily basis.

### **REQUIRED READING MATERIALS**

The sub-intern is responsible for reading required articles and texts, and during this clerkship the sub-intern will be required to give a presentation on a gynecologic topic.
